Franklin, WI 53132

Dear Sandi:

I, Basil Ryan, candidate for Mayor in the City of Franklin hereby challenge the nomination papers of Thomas Taylor, also a candidate for mayor, under Wisconsin Administrative Code, Chapter E1BD2 Nominations.

In particular --

Page 1 -- no municipality listed on the bottom of the page under circulator name.

Page 2 -- no municipality listed on the bottom of the page under circulator name.

Page 6 -- the first six names listed under municipality, it appears the same person wrote "Franklin"

Page 10 -- under municipality, it appears the circulator marked Franklin for the heading.

Page 11 -- no municipality listed on the bottom of the page under circulator name.

Page 14 -- no municipality listed on the bottom of the page under circulator name.

Page 17 -- person's name appears to be Jim, but the circulator name does not match

Page 18 -- person's name appears to be Jim, but the circulator name does not match

Page 19 -- person's name appears to be Jim, but the circulator name does not match

Page 24 -- the name James appears for the same signatures as indicated on pages 17,18,19

Page 35 -- no city appears under municipality for any signature appearing on the page. The signature is now back to Jim, rather than James.

Page 17, 18, 19, 24, 35 --I believe the signature paper was left at a counter at a business which would be in violation under state statute, "The nomination paper may not be left unattended on counters or posted on bulletin boards."

Page 36 -- cannot read any of the information under Certification of Circulator

Page 37 – Under municipality, nine spaces are left blank with no municipality indicated

Page 40 – Same complaint as stated in 17, 18, 19, 24, 35

Page 43 – no municipality listed under Certification of Circulator

Please accept this challenge.

Sincerely,

Basil Ryan
